

Correction of the Tender documentation No. 1

Publication reference: SUPPLIES 01/2016

Subject of procurement: Production machines and equipment

INFORMATION ON CONTRACTING AUTHORITY:

Vemo trade Ltd., Trg kralja Tomislava 16/b, Drnje, 48316 Đelekovec, Croatia

RN: 010013669

PIN: 15094174707

Date of Correction: May 4th, 2016

Prior to the deadline for submission of bids Contracting Authority corrects Tender documentation, **Publication reference:** SUPPLIES 01/2016, published on May 3rd, 2016 on the website of Structural funds (www.strukturnifondovi.hr) and on website of the Contracting Authority.

Correction 1

Appendix 6_Technical specifications of the Tender documentation in the English version is corrected for Lot 1 due to differences between Croatian version in such way that in the technical specifications parameter "Main engine power" is corrected and now states:

Main motor power	11 kW/h	
-------------------------	---------	--

Correction 2

Appendix 6_Technical specifications of the Tender documentation in the Croatian and English version is corrected for Lot 2 in such way that in the technical specifications parameter "Warranty period" is added and now states:

Jamstveni rok	12 mjeseci od konačnog prihvata robe	
----------------------	--------------------------------------	--

Warranty period	12 months starting from the signing day of the Final Acceptance Certificate	
------------------------	---	--

Parameter is not specified by mistake, but is important because it is one of the criteria for economically most favorable offer.

We would like to ask potential bidders to use corrected versions of Appendix 6_Technical specifications of the Tender documentation.

All other parts of the Tender documentation remain unchanged.

Since this is a smaller correction, an extension of deadline for submission of offers is not needed.
