Na upit gospodarskog subjekta/ Based on economic operators request:

Javljam se vezano uz objavu nadmetanja prema Vašem programu/projektu:

Grupa 3 - Platformska digitalna vaga 14.490,00 HRK

a na str. 44 i 45 pod Tehničke specifikacije i financijska ponuda /Technical specification and Financial offer

se navodi da platforma vage mora imati mjerne ćelije 4 kom., min. 2.000 kg mjernog raspona, te da pokazni uređaj mora biti ovjeren od strane DZM-a ili ovlaštenog tijela.

- 1. Ne navodi se maksimalni mjerni opseg vage, do kojeg se vaga terba ovjeriti?*
- 2. Prema navedenom zanima nas da li možemo sudjelovati u istom nadmetanju samo sa ponudom za vagu, jer taj proizvod možemo ponuditi, kao i ovjeru, obzirom da smo ovlašteno tijelo ?!*

Regarding to the EU project procurement of machines:

Lot 3 - Platform digital scale *14.490,00 HRK*

On the page 44 and 45 under Tehnical ***specification and Financial offer***

It is stated that Platform digital scale has to include Min. 4 load cells of min. 2000 Kg measuring range and has to be certified by the DZM-a or authorized organization

1. it is not stated the maximum measurement range of scales, to which the balance has to be certified?
2. According to the stated we are interested if we can participate in the tender only for digital scale – lot 3 because the product can we offer, as well as certification, as we are the body for the authorisation.

Odgovor/Answer:

1. **Navodi se samo minimum, a ponuditelj može ponuditi maksimum koji želi, samo treba imati na umu da je kriterij odabira najniža cijena.**
 2. **DA, vi ste prihvatljiv prijavitelj za grupu 3. /**
-
1. **It the tender documentation is stated only the minimum, a bidder can offer the maximum that wants, only has to keep in mind that the criteria for selecting is the lowest price.**
 2. **Yes, you are eligible tenderer for lot 3 only.**
