Technical drawing of a rectangular structure, likely a foundation or wall section, showing dimensions and elevation.

The structure is divided into two equal rectangular sections by a vertical centerline.

Dimensions:

- Overall width: 380
- Width of each section: 190
- Overall height: 280

Elevation:

- The top edge is marked with a wavy line and labeled $+2,80$, indicating the ground level or a specific elevation.

+2,80

Architectural floor plan of a room. The left wall has a vertical dimension of 140. The top wall features a wavy line indicating a fire-resistant curtain, labeled "Za2 ZaB2". The right wall also has a wavy line, with a label pointing to it: "zastor iz teškogorive tkanine, faktor naboranosti tkanine 1:2, zastor 'dimout' iz teškogorive tkanine, faktor naboranosti tkanine 1:2,". In the center of the room, there are two large arrows: one pointing left labeled "B" and one pointing up labeled "A". A small square with the number "1" is located near the bottom left corner. The plan includes various architectural details like door frames, wall sections, and a curved wall on the right.
