Filled statement from Annex 3 of this Documentation for competition will be considered as appropriate statement.

7.4. In the case of a consortium of tenderers, the circumstances related to the reasons of exclusion shall be ascertained for all members of the consortium of tenderers individually and the required declaration must be signed by each member of the consortium of tenderers.

At any time during the procurement procedure, the orderer can require from the tenderer to submit one or more documents (confirmation, excerpt, etc.) confirming that the tenderer is not in situations stated in items 7.1 and 7.2, if such documents are issued in the country of the economic operator's seat and the operator may obtain them. In the case of a consortium of tenderers, NSPP may require all the members of the consortium to individually prove the absence of the grounds for exclusion. The tenderer is allowed to submit evidence as original, certified or uncertified copy.

8. Selection criteria

8.1. Legal and business capability

Every tenderer must have legally and business capable.

During the procedure of public competition, every tenderer must prove his entry in the court, trade, professional or other corresponding register, located in country of tenderer's residence, which is proved by:

Excerpt from court, trade, professional or other corresponding register, located in country of tenderer's residence, and if they are not issued in country of tenderer's residence, the tenderer may deliver statement with verified signature by competent authority. Excerpt or statement must not be older than six months, counting from date of the public procurement procedure start.

In case of tenderers community all members of community are individually obligated to prove their capability from item 8.1. of this Documentation for competition.

8.2. Financial capability

Every tenderer in procedure of public competition, must prove that tenderer's average turnover for period of last three available financial years is 100.000,00 HRK cumulatively which is proved by:

- Statement of tenderer's average turnover for period of last three available financial years, according to Annex 4 of this Documents for competition.

To prove conditions under item 8.2 the tenderer may rely on capability of other subjects, regardless of legal nature of their mutual relationship. In this case, the tenderer must prove to the orderer that he will have resources necessary for contract execution at disposal, for example, by accepting obligations of other subjects to make those resources available to economic subject.

Under the same conditions, tenderer community may rely on capability of their membership or other subjects.

9. Award criteria

Tenderer selection criteria will be the best price and quality ratio, the most economically advantageous tender.

If two or more valid offers are equally ranked by selection criteria, the orderer will pick the tender that is received earlier.

Between acceptable offers of compatible tenderer, the orderer will choose the most economically advantageous tender based on the following criteria:

A. Quality (55% contribution in overall rating)

B. Price (45% contribution in overall rating)

As the part in criteria of most economically advantageous tender, the ordered will evaluate price and quality.

Following system of scoring and methodology will be applied:

A. Quality – maximum 55 points

Offered certificate	Quality criteria	Points	Maximum points
Number of certified cosmetics products	From 2 to 50	5	15
	From 51 to 100	10	
	Over 100	15	
Presence of cosmetics certificates on EU market	Less than 1 year	0	20
	From 1 to 3 years	5	
	From 3 to 5 years	10	
	From 5 to 7 years	15	
	Over 7 years	20	
Number of EU countries in which cosmetics certificate is present	From 2 to 5	5	20
	From 5 to 10	10	
	From 10 to 15	15	
	Over 15	20	

To prove the number of certified cosmetics products, presence of cosmetics certificate at EU market and number of EU countries in which cosmetics certificate is present, the tenderer delivers the evidence in free format.

Orderer keeps the right to check all of the delivered evidences.

B. Price (maximum 45 points)

Offer with the lowest prices is awarded with maximum of 34 points.

Points for individual offers are counted with the use of following formula, rounding the results to two decimal places:
