

Decision on annulment of tender procedure

I.

In Call for tender “for delivery of offers for materials for suspension system”, **contract No. KK.01.2.1.01.0040**, implemented as a part of Operational Programme „Competitiveness and Cohesion 2014-2020“; Rimac Automobili d.o.o., **as a project beneficiary adopts decision on annulment of procurement procedure.**

II.

Decision is adopted since Rimac Automobili d.o.o. has not received any offer during procurement procedure (procurement procedure with mandatory publication: <https://strukturnifondovi.hr/en/nabave-lista/razvoj-i-homologacija-supersportskog-elektri-nog-automobila-c2-rimac-automobili-11/>).

III.

The standstill period does not apply.

IV.

In order to continue with planned implementation of activities as a part of project „Development and homologation of super sport electric car C_Two“, contract No. KK.01.2.1.01.0040., Rimac Automobili d.o.o. will as soon as possible start new procurement procedure - procurement procedure with one bidder.

Rationale

In line with provisions of “Rules on the implementation of procurement procedures for non-obligators of the Public procurement act”, Rimac Automobili d.o.o. has initiated procurement procedure - procurement procedure with mandatory publication.

Until application deadline Rimac Automobili d.o.o. has not received any offer.

Following the above, it was decided as defined in the Article I of this document.

The decision on annulment becomes enforceable on the date of its adoption.
