

Clarification of Invitation for submission of offers

Date: 29th December 2021

Subject of procurement: Wire drawing lines with training of employees

Publication reference: 06

Contracting Authority: RETA d.o.o. za proizvodnju, trgovinu i usluge Zagrebačka 15K, 47000 Karlovac, Croatia

According to section 1.2 of Invitation for submission of offers, Contracting Authority provides clarification to received inquiry from interested Tenderer.

On 29th December 2021 the Contracting Authority received following inquiry from the interested Tenderer:

- 1) In regards of the section 2.1 Subject of procurement of Invitation for submission of offers (Subject of procurement: Wire drawing lines with training of employees, publication reference br. 6) published on strukturfondovi.hr on 21st December 2021, and therementioned Appendix 4 of Invitation - Project assignment where is mentioned as follows „After the commissioning, the technicians appointed by Tenderer will carry out the training of 6 (six) employees of Contracting Authority (...)”. Please clarify why training needs to be provided after commissioning since the common practice for commissioning and training is to take place at the same time. If the training will take place after commissioning it will significantly increase financial offer, but the quality and scope of the training is the same as it is provided during or after commissioning.

Clarification:

- 1) The Contracting Authority in Appendix 4 of Invitation for submission of offers describes project assignment, and in part Training of employees is mentioned as follows „After the commissioning, the technicians appointed by Tenderer will carry out the training of 6 (six) employees of Contracting Authority (...)”. Following the potential Tenderer inquiry and mentioned common practice, Contracting Authority will amend Invitation for submission of offers by allowing that training of employees can be provided during commissioning.

According to section 1.2. of Invitation for submission of offers, Contracting authority will publish clarification and Amendments of Invitation for submission of offers on the website www.strukturfondovi.hr. Deadline for Invitation for offer submission will be extended to 07th January 2022, 09.00am.
