EXPLANATION

Contracting entity conducted a public procurement pursuant, the procedure provided for in Section 4. (Call for Tender) of Annex 4 "*Procurement procedures for persons not subject to the Public Procurement Act*" (version 7.0), which is integral part of the Common National Rules No. 05 (as Annex 03.), which entered into force in December 2020 and Grant Contract No: KK.01.2.1.02.0151, the subject of which is procurement of raw materials for the production and impregnation of the test base, with the aim of concluding the Procurement Contract with one economic operator.

Call for Tender and tender documentation was made available to potential tenderers on May, 20th 2022, at http://www.strukturnifondovi.hr/.

First notice of amendments to the Call for Tender was made available to potential tenderers on May 25th 2022, at http://www.strukturnifondovi.hr.

During the deadline for submission of tenders Contracting entity received one (1) tender proposal, from tenderer Teillage Vandecandelaere, 5 Rue de l'Eglise, 14540 Bourguebus, France, OIB (VAT): FR60412375438.

After review and evaluation of the received tender, members of the Procurement Committee concluded that received tender meets the form, content, completeness, and other conditions of the Call for Tender documentation. In the process of review and evaluation of tender, it has been established that there are no reasons for the rejection.

Accordingly, Board member Lars Breuer, as person legally authorized to represent the Contracting entity, reached the Decision as specified in item I.
